### Event Description:

- This technical competition is all about the working model. Participants can put their innovative ideas as a model in open hardware. It is an ideal platform to bring forth the genius within you and amaze us all by displaying a hardware model.

### Team Specification:

- Group of 2 members

### Rules:

- Team shall consist of two members only.
- Participants will be given 1 hour and 30 min. to show their creativity minutes to talk about the same.
- The required waste material and stationery like scissor, thread, etc. should be brought by the participants.
- Waste material could be anything like tetra packs, bottles, newspapers, old utensils, jute material or any secondhand items that otherwise would be thrown away.
- The material would be rejected if not found to be a waste product or secondhand item.
- No ready or semi-finished model or matter would be accepted from participant in competition.
- Participants will be judged on Creativity, Utilization of Resources, Artistic composition & design, Eco-friendly rating, Utility of the Product and Overall Presentation
- No mobile or Internet means would be allowed to use at the time of Competition.
- The decision of the judges will be considered final and abiding.

# CELEBRATING STATE LEVEL YOUTH FEST ADVITIYA 2K23
